

# Expat Academy Annual Conference

Monday 9th October 2017

**The Global Mobility collaboration event of the year...**

Once again we are bringing our entire Expat Academy community together for a fun filled day of knowledge sharing, problem solving and networking.

The annual Expat Academy conference is a one day training and networking event for our members and their teams. This year the event will focus on change in Global Mobility as well as sharing knowledge to overcome and conquer your big challenges with the help of the Expat Academy family.

## SPEAKERS

**Mark Derksen, Head of International Mobility, Arup** will share the strategic approach he has successfully applied to engage key stake holders and introduce new GM initiatives at Arup.

**Andrew Walker, Global Mobility Leader, EY** will provide an over view of the comprehensive reorganization of the mobility function at EY. By shifting from a decentralized and geographically aligned practice to an integrated and functionally-focused team, he will show how they are much better positioned to drive strategic outcomes and exceptional assignment experiences.

Then to ensure there is no snoozing after our tasty lunch we have...

*"The Expat Academy conference is the most worthwhile day you'll spend away from your desk all year; industry updates, networking opportunities, a key note speaker and a chance to have all your questions answered by people actually working in GM. I came away with renewed enthusiasm for my role and a whole toolkit of practical solutions to my most immediate issues."*
